PERSONAL PROFILE

I am an Informatics student at the Digital Technology University of Indonesia currently in my fourth semester. I have a strong interest in web development and database management. Through academic projects and internship experience in sticker printing and design, I have developed solid technical skills, teamwork abilities, and effective communication.

EXPERIENCES

Jan D Stiker / Internship (PKL) – Sticker Printing and Design

January 2023 - June 2023, Wonogiri

Assisted in the end-to-end sticker printing production process. Created and edited custom sticker designs according to customer requests. Prepared and optimized design files for high-quality printing.
